

LAY DOWN YOUR HEART

P. ALLMANN / J. VIERTHALER / M. METZ

LYRICS – suggestion "LAY DOWN YOUR HEART" :

1. I call your Name
Reaching from the Darkness
Roots of our Dreams
Grow in the Light
See the Fruits of Life
Make us survive
Lay down your Heart
2. Magic around
Rising from the Shadows
Puppets we were
Now flying high
Feel the breath of Life
Make us survive
Lay down your Heart
3. Come face the Light
Streaming all around us
Wonders give Room
Homeward Bound
Come and welcome Life
WE WILL SURVIVE
Lay down your Heart
Lay down your Heart
LAY DOWN YOUR HEART
